LITTLE OF THIS

AND THAT

The first workshop this fall will be Wednesday November 15th with Sara Parker and George Rickerson addressing our group. George will be talking about MOBIUS and how INN-Reach works and Sara will give us her plans and vision for Missouri Libraries for the future. Will we have a state database for all types of Missouri libraries? A question and answer session will follow the presentations, so get your questions ready. Mark your calendar – more information and registration will follow in the next NETnews.

I really could use some input from members for our NETnews. If you have news to share, or have discovered a great source for reference, or maybe have come across a wonderful new library in the area - please send information to: SLRLN, % Bernyce Christiansen, 9425 Big Bend Blvd., St. Louis, MO 63119, phone: 314-965-1305; FAX: 314-965-4443, e-mail: christiansen@ursulinesl.org
